Distinctiveness of our institution

4th July 2017

The vision statement of the college is: "To meet State's growing need for efficient and committed learner-centred teachers who make education accessible to all without considerations of caste, creed or gender". The mission statement of the college is : " To demonstrate how to learn" with the following objectives:

- To mould teachers who are knowledgeable and compassionate in their professional practice, creative and reflective in designing and assessing classroom performance, and who are guided by a sense of social and ethical responsibility to the students and wider society.
- To enrich our classroom practices with the best of current research in teaching, learning and classroom planning.

The college, with the foretasted vision, mission and objectives, endeavours ceaselessly to train a group of enthusiastic, competent and dynamic student educators to serve the society in general and the arena of education in particular. Semester wise academic performance is very good. Teachers trained by this institution are successfully pursuing their professional life in both urban and rural schools of Darjeeling district and beyond.

One distinctive practice of the College is the daily morning assembly which is taken up for 15 minutes before the commencement of classes. It is an effective step for maintaining discipline, and punctuality. Co-Curricular activities are organised in the College throughout the year in which members of various students' sub committees are involved. Under the supervision of the Programme in charge/es, these programmes give a platform to nurture leadership abilities, develop social skills and project hidden talents and potentialities of the trainees. The close relationship between the mentor and the mentees help the students to go beyond being only service seekers and to feel connected to the College as responsible members of this family. The college utilizes the rich fabric of diverse cultural, social, linguistic background of the trainees which get reflected in various cultural programmes. Consistent organization of a variety of social awareness and gender sensitization programmes over the years has contributed significantly to produce socially productive and responsible members of the society.
