

## Significant contributions made by IQAC during 2020-2021

1. The institution started online classes initially via Google meet. Eventually it provided its own online platform by creating Google classrooms where classes were taken, assignments were given and received, e-materials were shared.
2. IQAC ensured to continue quality teaching-learning environment even via online to facilitate the trainees.
3. The institution conducted one National and one International webinar.
4. IQAC encouraged two faculty members to take admission in PhD programmes and supported them to pursue course work, and supported all members for publication.
5. IQAC took initiatives for thorough repair and renovation of various parts of the college building and constructed the front pavement with road tiles.
6. IQAC ensured all necessary safety measures to combat the on-going Pandemic.
