21. Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

36 responses

In this two years of this experience its was overall good

1-Encourage cooperative learning, 2-Use spaced repetition,3- conduct debates ,create questionnaire etc

Student's weakness should be handled more enthusiastically,

A.

Teachers are very cooperative,Feedback from Sri Milayanka Dutta (Session....., Roll No.....) I am Sri Milayanka Dutta, I took B.Ed. training in the session from Siliguri B.Ed. College. I was facing acute mental crisis during that period for several reasons. I was badly in need for a job. I could not concentrate in my studies and naturally the performances were not up to the mark. This again made me further anxious that I might not get a job because of my failure in B.Ed. programme.

The crisis got further complex due the prevailing pandemic situation.

All the faculty members, came forward, counseled me affectionately and I could overcome the crisis.

1. Computer room must be updated and should be kept open for students use.
2. Teachers are very supportive and always guided me so that I can develop and improve my skills.

1. Pedagogical approach to science discipline could cover more areas
2. Yoga class could be more enjoying
3. science centre visit should be compulsory for every year.

Observation:

1. Make us ready for the world of work.
2. Provide us fruitful learning.
3. All the teachers are very much helpful.

1. Improve more extracurriculum activities
2. Improve ICT
3. NO MORE

- 1- should promote employability skills
- 2- teaching method should be student centric
- 3- The teaching and mentoring process should facilitates social growth.

Every experience of mine was wholesome and educational. I have nothing more to suggest.

Constructive feedback should be given, good communication should be established with individual student, active learning should be encouraged.

Uma Ghosh

1. Internal evaluation should be improved.
2. The balance should be improved between the curriculum and extra curricular activity.
3. The overall teachers student interaction should be improved.

Good interactive classes

Access to good collection of books in the library

Requirement of more faculty in practical subjects

SILIGURI B.Ed. COLLEGE National Assessment and Accreditation Council (NAAC) Student Satisfaction Survey (SSS)

Teaching process should facilitates emotional growth
Should promote employability skills
Teaching methods should be student centric

1. Interaction is good and needs more work to cover all trainees.
2. Needs more practise teaching in schools.
3. Needs faculty members for labs.

1. Computer lab should be update & must be keep open for students
2. Requirement of more faculty for practical subjects
3. Access to good library

There's no complaint regarding the teaching-learning experience

Active participation of interneer

1. Use of ICT tools should be increased.
2. Conduct seminars and talks for the trainees.
3. Career Counselling should be provided.

1. Provide socializing opportunities.
2. Availability of placements.
3. Preparation for interview.

Sometimes must connect to students individually about their needs & should teach in new teaching learning methods also.

The overall teaching - learning experience in our institute is gear but I have few suggestions that are - 1. allow students to contact you after college time
2. Use the flipped classroom model
3. record evidence of progress

Pr. Basanti

No doubt that the institution is best but many measures can be taken to improve it further.

1. Use more ICT tool in learning process
2. Learning with real life example
3. Creating an active learning environment.

- 1) Classes are highly informative & effective in a way that couldn't be better.
- 2) The observant & discreet advices helped a lot.
- 3) The methods could be a bit benevolent to the students.

Teachers are very supportive, well informed and helpful

- 1) Excursion needs to be done related teaching learning.
- 2) Practical learning and practices should be increased.
- 3) Student should practice digital way of teaching.

Everything about the process of teaching-learning in the institution is very useful in every single step of professional life. The goal of the institution gets achieved and eventually will take it to the zenith of excellence again and again.

Teaching learning is upto mark

- 1 Teachers are always helping and kind.
- 2 Staff plays important role and the office staff is so helpful in our institute.
- 3 Proper facilities with great guidance.

1. Installation of smart TV classroom.
2. Proper maintenance of computer lab.
3. A reading table in library.

1. Building confidence
2. More practical based teaching learning
